This site is a spam free zone.

I don't want to see hot russian girls or free prescriptions etc...

Do not promote your **pay** site, or any other site for that matter, on these boards without permission from one of the moderators. This also counts for sites with free sections such as FREE COMICS. If your site is a pay site you can find a site where you can **pay** for your advertisement. Unless you ask and receive permission, any and all spam will be deleted. If you are a multiple Spammer you will be banned.

Do not post links to your personal sites in the forums without permission, unless it is in a thread about various links. You may link to your site in your signature. If you don't ask before posting your link, you will be considered a spammer and the post will be removed.

Have a nice day.
