So basically I guess it's like yelling at the gnomes under the stairs. Do they really hear you? Are they really there? Do they eat chicken or fish?

You are so wrong there, Thayne! There are no gnomes under the stairs.

Rather, there's a bunch of blue monkeys, and they eat children. Or so I thought when I was a kid.

Hmmm... not sure where I got that idea from, but I sense the evil work of my big sister. Damn you, sis!
