OK everyone.
The June challenge is **Heroes Out of Time**.

You take **any hero** you want and you redesign him/her for a **different time** period, **future or past**.
(Like Batman in the middle ages - a real Dark Knight)
Multiple entries are allowed. The winner will be decided by a poll that will be posted at the end of the month.

The **winner** of the challenge will receive both a custom avatar and a custom rank. **Second** place will get their choice of an avatar or a rank. **Third** place will get a well-deserved pat on the back.

All prizes in this challenge are transferable to a member of your choosing, if you win and already have an avatar and/or rank.

All Images must be posted before the end of June.
