oooo, what a perplexing conundrum. Gee, so many talented actresses to choose from.....

Ya know, I just *don't* know.

I'll haveta ask my buddy JR. He'll know. He can't seem to stop talking about this.

fyi - don't know if this revelation has occurred to anyone else, but this thread.....its GOD.

Its never-ending wisdom holds the answers to the universe.

It encompasses *all*, and *all* come together as one, every being alive, come and join as one voice. The song of the universe.

All hail and praise the glory that is the holy WWthread! So was it always, so is it now, so shall it always be.....
