First of all: No! The Anguis Fragilis...or Slowworm... is in fact neither a worm nor (as appearances might suggest) a snake. It is a legless lizard.

Also, like I told BB, I think Jack Black is a possibility...he has that big bootay going for him and the bitch-tits to fill out that top (sort of like my old suggestion Rosanne Barr...yummy

).

Ashlee Simpson is also a good choice. She could use that enormous nose to clobber her opponents. Or just use her sonic 'scream of infinite torture' ...also called her 'singing voice' to punish the wicked.

And I'm still pissed off about the director not wanting to dress WW in star-spangled panties. Dammit!
