Why? Why are you people all messing with my head. Now you got me all wondering if Michael Jackson would make a good villan in a carebear movie.

And we all know Jr was notorious for locking himself in his bedroom in his superman underoos singin "I saw the sign"(by Ace of Base)

Dumbest thing someone said to me this week at work "Reincarnation?? No I was just talking about past lives" or "Agnostic?? No, I don't have a religion"
