OK. So we are all getting busy. Since we have two crews I suggest we break into two threads and taunt each other from opposite sides (playfully mind you).

I suggest two threads. "pool scum" and "hot babes".

Actually... Gouge, I "nude-erized" my model. It may have an effect on what your working on. I would like to send you what I think is going to be my new base model, or at least the direction Im heading so we avoid any surprises.

I dont envy you being in the middle.... Oh, wait... heh, can I be in the middle?
