Not that any of you have any say in it (*Hee hee!*), but I thought it only fair to post what's been created so far. (It also helps me keep track!)

[Lady Heromorph by Mystic Morgan](#) (Not really for the contest, but I'm not gonna forget it!)

[Lady Heromorph by Billy](#)

[Lady Heromorph by PowerMaster Jazz](#)

[Lady Heromorphing by Wasmith](#)

[Lady Heromorph by Dream Slayer, part 1](#)

[Lady Heromorph 1 by Pope Jazzy James, and the Fresh Prince](#)

[Lady Heromorph 2 by Pope Jazzy James](#)

Enjoy! Did I miss any? Feel free to start a Thread, just not here...
