Since we are regulated to second class.. I.E. team two.
would any "dead" artists care to be our team leader?

Of course you r second class- i am not on this team. LOL, Just kidding,
team name only differenciates between the teams a does not designate class or quality. (like thing 1
and thing 2 from cat in the hat) We could always change the name of your team. you could be the
Strawberry lightning's or something what do you think.

If an artist is dead, then he/she is gone and wont be coming back. so it would be hard for then to lead
you.
