Sorry, zoned out for sec there....

I guess it's tough to make a case for Dina with no evidence, and no amount of Googling turned up any decent pics. All I can say is, trust me, she's hotter than that link makes her look. Beyond that, I got nothing. Except a mental image of Tyra Banks....

Mmmmmm..... Tyra.....

Wait a second... I just had a thought (and that ain't easy with every new thought having to compete with Tyra, let me tell you). How about Rosario Dawson?

Yes, change my short list to CJZ (still #1), Catherine Bell (still #2), and Rosario Dawson (replacing Dina the Indefensible at #3 -- sorry, Dina).

Mmmmmm..... Rosario.....
