"...Say, that covers a lot of ground. Come to think of it, you cover a lot of ground. If I were you, I'd get outta here, I hear they're gonna knock you down and put up an office building where you're standing. You can leave in a taxi...or you can leave in a huff...if that's too soon, you can leave in a minute and a huff. You know, you haven't stopped talking since I got here? You must have been vaccinated with a phonograph needle."
