Yeah? Yer doing a lousy job of it, Bro.

This morning, I found the first 3 postings of this thread pawing through my refridgerator; looking for something to eat. I's looking kinda thin...hurt...so, I gave it some left over BBQ ribs...and it also drank almost a whole gallon of vitaman D milk.

Poor little thing

Winterhawk...BikerBot...Matrixblur...it's time to put JrMcD onna leash...and appoint someone else to take care of this poor innocent thread. After all...if we can't get rid of it...we might as well take good care of it

I nominate MissVee
