Yeah... we aren't actually typing anything... she just randomly picks a user and answers her own thread... I am not typing this right now... it is the thread.

Winterhawk...BikerBot...Matrixblur...it's time to put JrMcD onna leash...and appoint someone else to take care of this poor innocent thread.

Innocent... if she ever leaves the front page the site will crash... she has already erased all the stuff on my PC twice just for thinking "Why don't you die" OH SHAT... there it goes
