Whew! Ya lost me there son. You kids with your hip hop talk and new fangled lingo. I tell ya when I was a youngin we just said what was on our minds. We didn't need to get all philosophical. By the way I vote for Miss Piggy to be WW. After all, it's no crazier than any other ideas here. Wait, why not just have a pile of dog ##### dressed up real nice play the part. We can have Lucasart do some great CGI work with it.
