As was mine sidekick chum; and as with all satire, there is a pure kernal of shining truth. If you "Get" it through to the wallet, then you get three fourths of it, and that ain't half bad. Pity the poor villain who gets none, for there you will find an answer. After all, following a crisis of dimensional proportions, nothing beats frozen yogurt.

It's not who 'IS' Wonder Woman that this glorious eternal thread is about; But rather that Wonder Woman 'IS' that is the key. For Wonder Woman is justice, this thread is Wonder Woman and buddy by definition, this thread is justice and that is very nifty.
