I'm loving this. I care not that this thread actually "lost the thread" looooong ago ... I am entertained. Mind you, I am also easily amused ... but still, entertained regardless. Not to mention that it's a great way to raise my "post count" without actually having to have anything to have. Or say. Or whatever.

And please, keep those "Tick" quotes coming. It helps fill a void that I knew not existed.

Hi, mom!
