Like I have said (more or less) I'm not sure if this group project can survive a busy background without losing something (being what it is). And as much as I dig cereals

graphic fungshway(sp) I would like to recruit him, if at all possible, for a comic-cover theme.

After all, the original photo is just a hare shy of comic cover shape.

I imagine some graphics may overlap the artwork at this size, but I think the results would be homogenous... I.E. kick ass.

Whaddya say group? Cereal? Winter?

Im rather fond of the idea myself.
