Omg they're still in the serious stage

I wonder how long it'll be before they realize it's a moot point and that the thread has taken control of them

Should I go log into their site and say... I am here from the futrue (post 370) ... and I am telling you stop...stop while you still can...stop before she consumes you... stop before she asimilates your page... you have been warned.

LOL Go for it
