My fault entirely, I simply misread which model I was supposed to be doing. Um... whoops.

Rather than trash what I've already done for the Magma manip does anyone have any objections if I change who I do for my section of the pic? Seems a bit stupid to do a second Magma attempt. I'd rather do someone new, then use Magma and whoever I decide on for a new version of the group shot. Was thinking I might do the Hellions and have a stab at Roulette, Magma, Catseye and Tarot for my version of the group.

That'd mean I'd do Catseye instead as my part of the team project. Does that make sense?

If not I'll just redo Magma, no skin off my nose. :)
