Count me in, too.

1. Lara Croft (Tomb Raider Universe) - Any incarnation, any outfit, any genre...Game, Movie, TV, Comic, even artist's own concept.
2. Harley Quinn (DC Universe) - Any incarnation, any outfit, any genre...Game, Movie, TV, Comic, even artist's own concept.
3. Jean Grey (Marvel Universe) - Any incarnation, any outfit, any genre...Game, Movie, TV, Comic, even artist's own concept.

In other words, let your own imagination guide you like Rudolph's bright red nose.

Happy Thanksgiving to everyone! (Eat lots o' turkey n' stuffin')

Merry Christmas to all! (Eat lots o' goose, or ham, or whatever the traditional meal is at your place...)

I love the holiday season!
